

ELECTRIC CITY RUGBY CLUB EMERGENCY ACTION PLAN

Electric City Rugby Club/ Team Havoc

Match Administrator: Anitra Hall

Field Location: CMR High School: -228 17th Ave NW.

Benefis Hospital: 1101 26th St. So. See attached map to hospital.

Medical Staff: EMTs, on field 30 minutes prior to game.

1. The Medical Staff on site are responsible for treating minor injuries to players and caring for more serious injuries until EMS personnel arrive. The Medical Staff makes the decision to either have the player driven to Benefis Hospital or calls 911 to request EMS (ambulance).

2. Team coaches/Field Monitors will report injuries to Match Administrator.

3. Match Administrator Checklist:

___ Maintain blank copies of injury reports

___ Maintain copies of the Rugby Montana Concussion Policy to provide to players/parents if injuries arise.

___ Ensure that medical staff (Athletic Trainer or Certified EMT) is present for all matches. Recommended to have all medical staff arrive 30 minutes prior to game to become familiar with reports and get situated in correct area of technical zones.

___ Confirm that each team has their required team binder with all player information and medical consents for treatment.

___ Document any disputes over medical treatment.

___ Ensure completed injury reports from medical staff are provide to referee to include with match report

___ Ensure that a medical kit, ice, and water are provided by both teams and available between the team areas on the player side of field.

___ Ensure that medical staff stays within the area between teams on the player side of the field.

In case of an injury the procedure will be:

1. If injury occurs during warm ups or outside of a schedule game the athlete will report to the head coach for assistance. The coach will contact medical staff to conduct a primary assessment.
2. If injury occurs during a match the referee will contact medical staff to conduct a primary on-field assessment. If the injury is not serious the medical staff will bring the athlete to the sidelines and conduct a secondary assessment. If the injury is serious the medical staff will contact an ambulance for transport to the hospital. All major treatment of injuries will be recorded in an injury report by the medical staff that administered treatment. The match administrator will collect the reports at the end of each day of competition. If there is a dispute over the medical care of an athlete this must be brought to the attention of

the match administrator and the incident will be recorded in writing. Situations such as this will be dealt with on a case-by-case basis. Match administrators will submit all injury reports to the Rugby Montana Administrator within 24 hours.

All head injuries and suspected head injuries must be reported per the Rugby Montana Concussion policy

Catastrophic Injuries

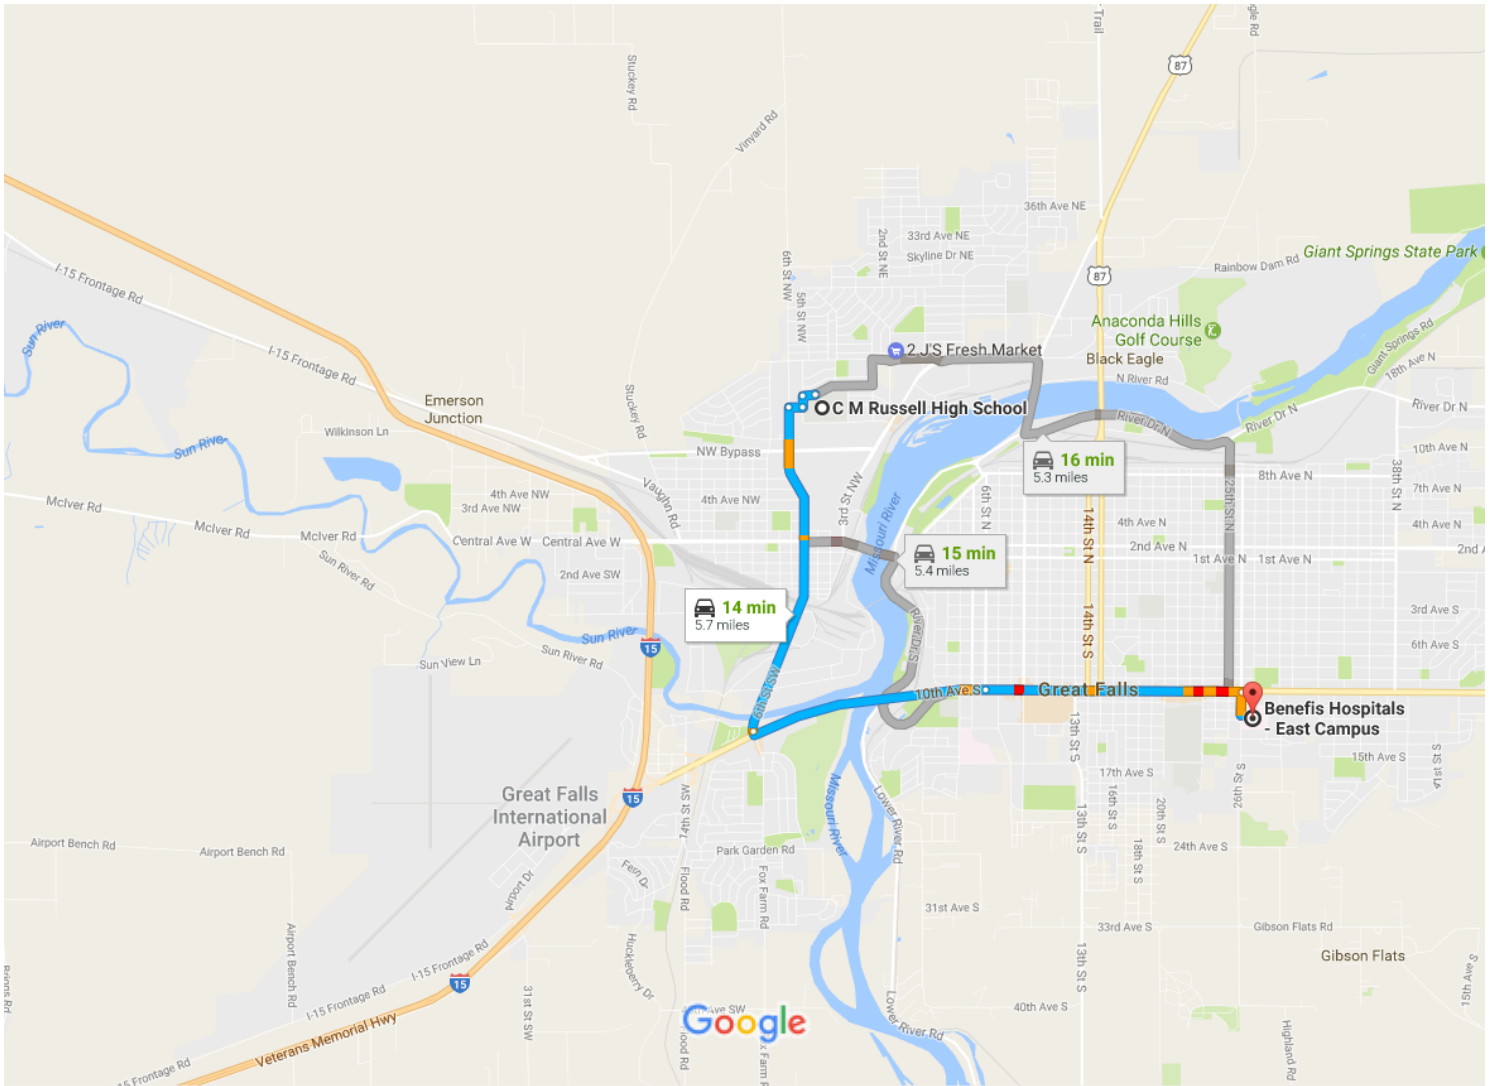

This is defined as any condition in which a student athlete's life is threatened or the student athlete risks permanent impairment. Examples include, but are not limited to, respiratory or cardiac arrest, spine & head injuries and possible fractures.

1. Call 9-1-1.
2. Be sure to have the following information:
 - Name, address, telephone number of caller
 - Number of athletes injured
 - Condition of Athlete(s)
 - First aid initiated by first responder
 - Consent to treat documents for injured player
